IN MEMORIAM

We, the members of the Annual Staff, would like to dedicate the 1960 PIRATE to the memory of Mr. S. V. McCage, who for so many years was our High School Principal.

Never, in all those years, did he hesitate to do anything that was not of benefit to youth, in general, and to the youth of our school, in particular. Through his untiring efforts, our school is of the quality in scholarship, leadership, and friendship it is today.

He has achieved his reward; ours is yet to come.

SUPERINTENDENT'S MESSAGE

Dear Students:

It is always with deep interest and concern that we watch you grow through your years in Crawford School, and it is the source of much pride and pleasure for each teacher when your achievements reflect the guidance and training you have received here.

I congratulate the graduating seniors on your achievements and commend each of you for the efforts you have made in both the scholastic and extra-curricula fields.

The best wishes and continuing interest of your school go with each of you.

Sincerely,

C. K. Burns

To the Seniors - - -

As your teacher, I wish to express my appreciation for your cooperation while in Crawford School, and to all students may everything which makes for a prosperous and happy life be yours.

Leonard C. Love
Elementary Principal

PRINCIPAL'S MESSAGE

What lies BEHIND us and what lies BEFORE us are tiny matters compared with what lies WITHIN us.

We come to school to learn; to learn how and why, and after we learn, to put this knowledge into every day use, to help ourselves, our country, our neighbor, and leave the world a little better place than what we found it.

With all our many privileges and opportunities, we must learn that, "God never opens the door of opportunity that He does not write RESPONSIBILITY on the other side."
